The Londonderry Dugout Club is sponsoring a "Homerun Derby" contest for all members of a Londonderry school teams. How the contest will be run is that each player will go out into the community and acquire pledges for how far their best hit will travel. (I.e. if a player hits the ball 250 feet and has someone that pledged \$0.02 cents a foot that pledge would generate \$5.00.) Each player is required to collect a minimum of 50 dollars to be eligible to receive a homerun derby shirt with all the teams and names on them. These shirts are given out on the night of the banquet. A team gift will be awarded to the team that raises the most. At the conclusion of the derby all school players are invited to a cookout sponsored by the dugout club. There will be food available for all parents, siblings and spectators for a donation to the Dugout Club. We encourage all parents and friends to come out and enjoy the Derby. With the hard work from these players we will continue to improve the baseball program in Londonderry.

**Thank you,
DUGOUT CLUB**
