\*The Dugout Club is a non-profit organization made up of families and supporters of Londonderry High School Baseball. The Dugout Club has been involved in activities for the baseball program such as improving the fields, purchasing uniforms, batting cages, fielding and pitching screens, and sponsoring preseason travel games. The Dugout Club also sponsors events such as the "Lead-Off" Dinner, the Home Run Derby, the Program Book, and the Annual Awards Banquet. This is a completely volunteer run organization, all are welcome to participate.

The key to the Dugout Club's success is the parents and friends that join our membership. Our goal is 100% family participation. The Dugout Club will be asking for a membership fee of \$25 for High School families and \$15 for Middle School families. Your membership provides your family reduced rates for the awards banquet. Help make our goal of 100% player-family membership a reality and sign up today!
